SOLUTION CAPABILITIES

CUSTOM BRANDED WELCOME PAGE

Nuvisions enables hotels to customize guest room TVs by controlling the brand messaging on the screen. Our service comes standard with a custom branded welcome page, hotel logo, channel banner, and interactive program guide data for all North American content providers.

RESIDENTIAL HD INTERACTIVE EXPERIENCE

Nuvisions understands that your guests expect nothing less than a residential HD interactive experience. The Nuvisions system comes standard with a fully interactive program guide and Pro:idiom decryption, eliminating the need to purchase expensive Pro:idiom TVs

APP WORLD

Nuvisions provides a selection of audio and video streaming apps, including YouTube, Crackle, Rhapsody, etc. for those guests who do not have access to their personal streaming video and audio accounts directly. Nuvisions's OTT service is network agnostic and can be delivered over CAT5/6, COAX, and wireless networks.

VIDEO ON DEMAND

This service comes with top studio box office hits available to your guests on-demand. Selections include latest hollywood pay-per-view movies, adult features, and free blockbuster movies making your guests' stay more memorable. Our unique business model enables you to set movie prices and keep 100% of the revenues.

SCREEN SHARE

Nuvisions offers the hospitality industry's most advanced over-the-top content and entertainment solution whereby guests can stream any content from their personal devices to the TV seamlessly.

LOCAL ATTRACTIONS

Whether your guests want to order pizza delivery, go to a local bar or visit other local attractions, Nuvisions's local attraction menu provides your guests with a digital concierge service. This unique service benefits you through sellable on-screen real estate.

GUEST SERVICES

Weather, news, and flight updates are included as part of our standard offering. Nuvisions's in-house UI customization team allows you to combine videos, photos, graphics, text, and more for a truly personalized in-room entertainment experience.

HOTEL SERVICES

Promote all your hotel services digitally and save costs. This allows the hotel owner to showcase all in-house services and amenities. This includes room service menus, restaurant promotions, spa deals, breakfast timings,
